

## Lesson 2 Resources

Helpful resources to give to students can be found here:

- Central Intelligence Agency. (2014), *The World Fact Book: Vietnam*. Retrieved August 13, 2014 from <https://www.cia.gov/library/publications/the-world-factbook/geos/vm.html>

[The World Fact Book is a trusted website whereby information about Vietnam can be gathered, from its geographical information to the language, religions, economy and transportation. Students can gather useful data and statistics as well as up to date photos of Vietnam as they are introduced to its customs and culture.](#)

- National Geographic Kids. *Quick Facts about Vietnam*. [http://kids.nationalgeographic.com/content/kids/en\\_US/explore/countries/vietnam/](http://kids.nationalgeographic.com/content/kids/en_US/explore/countries/vietnam/)

The National Geographic website provides students with useful information about Vietnam as a country that are age appropriate for primary students as well as valuable for engaging them in introductory activities. It is accompanied by images that are relevant and are useful as visual aids for students.

- World Vision (2010). *Country Profile: Vietnam*. Retrieved August 10, 2014 from [http://www.worldvision.com.au/Libraries/School\\_Resources/Vietnam\\_Country\\_Profile.pdf](http://www.worldvision.com.au/Libraries/School_Resources/Vietnam_Country_Profile.pdf)

World Vision is a great resource that provides a rich compilation of different aspects of Vietnam as students learn about its customs and culture. The country profile is a concise yet reliable source for students to investigate different topics regarding the country and people of Vietnam. The website provides images and interactive activities that can be accessed for students as they gain perspective about living in Vietnam through the eyes of children their age.

- Vietnam Culture (n.d). Arts: Traditional Songs. Retrieved August 13, 2014 from <http://www.vietnam-culture.com/zones-8-1/Vietnamese-Traditional-Music.aspx>

Vietnam Culture provides useful information regarding the Vietnamese culture and traditions. Various Vietnamese traditional songs and musical instruments can be explored as the website provides helpful articles as well as images and videos.
